Change Of Date For Visit Of Centen'l Caravan

County visitors to the Centennial Caravan during its Vulcan stop this Spring will miss the Caravan by one day if they observe the original May 23 date of its stop at Vulcan.

According to a recent letter received by local Centennial chairman Allan McAskill from Edmonton Centennial officials, Monday, May 22 is the new day of the open house. Officials apparently felt that the 22nd, being a civic holiday, would find more people free and able to tour the Caravan. The trailer vans will come from Okotoks early Monday morning and expect to be set up in time for the day's viewing.

The Caravan crew will have their free day on Tuesday and the entertainment originally scheduled Monday for these travellers will be held on that day.

Throughout the County youngsters are being made aware of the Prince and Princess contest which is being held in conjunction with the Caravan's stop at Vulcan. It is hoped that from each point in the county a boy and a girl will be chosen to compete in a final competition the previous weekend to the Caravan's visit. The winners will receive the Prince and Princess distinction and also take home a \$250 Centennial bond. Most Lions Clubs in these various county points are also offering cash prizes to local winners.

Enjoyable Program At Reid Hill W.I. March Meeting

Ten members and 3 visitors answered Roll Call with "An Irish Joke or an Easter Verse, at the March meeting of Reid Hill W.I. held Tuesday, March 14, at the home of Mrs. Freida McRoberts, with Mrs. Healy assistant hostess.

Mrs. C. L. Kuykendall, the president was in the chair and conducted the meeting assisted by secretary, Mrs. John French. The treasurer's report was given by Mrs. C. Love.

Routine business matters were discussed, with plans being finalized for the ladies to serve lunch at the Ohler auction sale April 1st. A committee comprised of Mrs. Kuykendall, Mrs. E. Deal and Mrs. French was named to make arrangements. The punctuality draw was won by Mrs. French.

Mrs. McRoberts gave a most interesting paper on Citizenship, which all enjoyed. Mrs. Love read two very timely articles, which had appeared in a leading periodical, titled, "Is the W.I. on the Way Out?" and another in reply simply titled "No."

At the conclusion of the business session the meeting was turned over to Mrs. Love, who conducted two fine contests. Mrs. Fitzpatrick and Mrs. French were the lucky winners.

The next meeting will be held at the home of Mrs. E. Kehr Thursday, April 13. Serving of a delicious hot lunch concluded the afternoon's program.

Mrs. C. Carruthers, District Oldtimer Dies At Age 77

An oldtimer of the Vulcan district, Mrs. Carrie Carruthers, died at Vulcan Tuesday, March 14, at the age of 77 years.

Born in Sweden, Mrs. Carruthers came to the Camrose district in 1905 and to Vulcan in 1915.

Surviving are two daughters, R. G. (Alice) Latham, Edmonton, and Mrs. M. (Edith) Willard, Milo; two sons, Roy of Winfield and Earl of Vulcan; 16 grandchildren; eight great grandchildren. She was predeceased by her husband in 1950.

Services were held at the Vulcan United Church, Friday, March 17, at 10:00 a.m. with interment at Parkland Cemetery, Camrose. Pall bearers were five grandsons of the deceased and one son-in-law; Glen Carruthers, Walter Carruthers, Eugene Carruthers, Randy Carruthers, Ward Willard and M. Willard.

Vulcan Funeral Home was in charge of arrangements.

Turner Valley Student Wins Trip To United Nations

OFF TO UN. Christine Lemas of Turner Valley, seated above, left, has an interesting summer ahead which features a visit to the UN. She was picked from the above group as winner of the Odd-fellows Pilgrimage For Youth To the United Nations contest.

The finals for this area were held at the Vulcan Lodge Hall, Saturday, March 4, with Ray Brown of Champion and Bill Collier and W. Oakley of Calgary as judges.

Seventeen-year-old Christine is a Grade 11 student at Turner Valley and was sponsored by the Tim-lech Encampment Lodge, No. 22 of High River. Subject of her address dealt with the world food shortage.

Beside Miss Lemas in the photo is Janice Thompson of Gladys Ridge while standing from the left are Keith Jorgensen, Cayley, Pat Piercey now of Calgary but a resident of Turner Valley when she won the UN trip last year, Maureen Sinclair of Milo and Donald Hansen of Vulcan.

Miss Lemas will leave by chartered bus in company with other winners, on July 8, and during the month away will visit Expo 67 as well as New York and the UN Assembly.

The first United Nations Pilgrimage For Youth took place in 1950 and the project has grown to where it now comprises more than 1,000 students. Every State in the US and every province in

Canada has been represented and students have participated from Cuba and Australia.

This project brings together groups of 150 or more students for a week at New York to observe and study the UN in action. Here the young people tour the UN building, listen to behind-the-scenes explanations of various agencies and departments, witness councils and committees in session, hear the business of the UN conducted in the five official languages, and observe representatives of member nations as they tussle with world affairs.

By the end of the 18th year of these trips well over 13,000 students will have visited the UN.

At Milo

Reports, Resolutions Face Sub-district Convention

The annual FUA sub-district No. 4 convention was held in Milo on March 16 and in spite of the adverse weather conditions there were nine locals represented with about fifty persons taking part.

C. J. Versluys of the provincial executive was in attendance as was Hans Hasselman, district 12 director, and Mrs. Inga Marr, alternate district 12 FWUA director, and George Looze, alternate FUA director. Sub-directors Mrs. Bette Papp and Wilbur Matlock were in charge of the convention.

The noon luncheon featured Chinese food and was catered by the Milo FWUA. Reports were given by B. Robertson and D. Unshied on their attendance at the Gold Eye Youth Camp and the Farm Youth People's Week in Edmonton, respectively. Mr. Versluys, in his address, gave the highlights of his recent attendance at the forming of a rapeseed council.

This council is Dominion wide with the prime objective being market stimulation. He also brought the convention up to date on the progress of the presentation of briefs to the Barber Commission on machinery prices, the durable good boycott surface rights and the national swine council.

Reports were given by the various directors and sub-directors on the general progress of the Farmers Union as a whole as well as the remarkable interest shown by the attendance and activities at the Gold Eye Youth Camp.

Several resolutions were processed and will now be sent to the various officials for their perusal and hopefully for immediate action. The resolutions covered a variety of subjects, were well presented and provoked considerable discussion. The resolutions covered truck axle loads, inequitable box-car distribution, the unrealistic support from FUA funds to the Canadian Federation of Agriculture as compared to the National Farmers Union, and voiced opposition to the idea of Futures Marketing of Cattle on the Winnipeg Exchange.

It was announced that the FWUA spring conference will be held at East Longview on April 5th and the District No. 12 convention will be held at Pincher Creek June 19th. All farmers are urged to attend.

Lomond Pioneer, Albert Thompson Dies At Vulcan

A pioneer farmer of the Lomond district, Albert Leonard Thompson, aged 82 years, died Saturday, March 18, at Vulcan.

Born at Dagenham, Essex, England, Mr. Thompson came to the Lethbridge district in 1908 and settled at Lomond in 1909 where he resided until 1951, when he retired and moved to Vulcan.

He is survived by three daughters, Mrs. Harold (Clara) Bride, Vulcan, Elsie and Dorothy, also of Vulcan; one son, Henry of Lomond; four grandchildren; five great-grandchildren; four sisters, Emily Seager, Lethbridge, Alice Palsnell, Long Beach, Calif., Edith Hauger, Beaverlodge, Alta., and Letitia Patnoe, Lloydminster, Alta.

Funeral service was held at Vulcan United Church on Wednesday at 2:00 p.m. with Rev. W. Dormer officiating.

Honorary pall bearers were Metes Bolduc, Joe Chambers, Frank Koch, Don Voleskey, Dan Jantzie, Cliff Andrews. Active pall bearers were Harold Hansen, Tom Chambers, Russell Honess, Dick Teasdale, Andrew McAllister and Henry Crawford.

Talks On Future Of Women's Groups

The Good Deeds Women's Institute postponed the monthly meeting for one week due to inclement weather. Although again a rather wintry day, ten members and three visitors gathered at the home of Mrs. Harry Smith.

Mrs. George Dingwall took the president's chair, opening the meeting with the usual ritual. Mrs. Bob Hutton read the minutes; and a letter from the Red Cross (Continued On Page 7)

Two Five-Month Sessions

Semester System Coming To C.C.H.S., Fall Term

The School Committee of County of Vulcan No. 2 has approved the implementation of the semester system at County Central High School beginning with the fall term of September, 1967. The school year will be divided into two five-month sessions with final examinations for Grades Ten, Eleven and Twelve being held the last weeks in January and June. Students in Grades Ten and Eleven will be given their final marks immediately after the close of the first semester and Grade Twelve marks should be available two weeks later.

Students will be able to have much more variety in the choice of their high school programs. Studies by the high school indicate that over 350 credits can be offered next term with major benefits in the increased number of course patterns that students can select.

A major advantage of the system to be used at County Central, in contrast to most of the other country centres using this type of organization, is that all high school courses will be offered in each semester. Thus if a student does not do well in his first session he can immediately enroll for the second semester to clear up his difficulties without having a time lapse between his efforts.

Mr. Bardock feels that another major advantage, from a parental viewpoint, is the apparent decrease in homework required and the greater opportunity, due to longer periods and subject concentration, for teacher supervised work. This allows greater use of the facilities available at the school and should result in improved standards of work from many students who have long bus routes or inadequate home study facilities. Better concentration on the part of students is also expected since fewer subjects are undertaken at one time.

12 Rinks Enter Lodge Bonspiel

The Vulcan Elks and Royal Purple Lodges held a mixed bonspiel at the Vulcan curling rink on Sunday, March 19.

With an entry of 12 rinks, everyone played three games and winners were decided on a points system.

Coming out on top with a total of 22 points was the foursome of Ray Wellman, June Wellman, Dave Watson and Ruth Orchard, followed closely by the Walter Dann skippered rink of Irma Middleton, Geo Gooch and Audrey Hunt with 21 points. Three points further back at 18 were Bud Haverly, Fay Gorbous, Bill Hinz and Walter Stewart. Rink with low score for the day at eight points was Joe Beatty, Betty Hagg, Bill Engen and Lil Schmidt.

A delicious supper was served by the ladies of the Kirkcaldy Community Club to end the day's proceedings.

Anticipate Advantages

and there are greater possibilities for maintaining a motivated attitude on the part of students through doing more assignments in school with proper supervision, use of the library, and other facilities.

Senior students who only lack a few subjects for their Diploma or Matriculation will have an opportunity to complete their work in Vulcan instead of the city, will have time available to earn money to further their education or may even enter a Junior College at the close of the January term.

Students will no longer be allowed harvest leave as they would be unable to match the progress the class has made if they are away from the longer class sessions.

Mr. Husby and Mr. Jantzie are now making preparations to interview and counsel students from surrounding communities who will be entering County Central High School next fall. It is hoped that this type of early preliminary registration will allow parents and students to have a greater understanding of the course patterns and programs available at Vulcan.

School Load To Be Shared

The school committee has approved a revision of the administrative organization of County Central High School to be effective for the 1967-68 school term. Two administrative officers will assist A. Husby, principal, in the operation and supervision of the school.

Don Jantzie has been appointed assistant principal. His major responsibilities will be in the organization and administration of the senior high school. In the absence

of the principal, Mr. Jantzie will be in charge of the school and assume the authority of the principalship.

Gary Jopling has been appointed vice-principal. His major area of responsibility will be with the organization and operation of the junior high school.

The present enrollment of 483 is expected to be slightly over 500 for the coming term and to rise to 580 in the fall of 1968.

107 Delegates

District Delegates Attend W.I. Conference At 'Hat

The Women's Institute Conference of District No. 4 was held in Medicine Hat on Feb. 8 and 9th at the Assiniboia Hotel with 107 delegates and members registering.

Those attending from Vulcan were Mrs. Earl Galloway, Mrs. Bert Maisey and Miss Nettie Ware of Kirkcaldy WI; Mrs. Robert Hutton and Mrs. George Dingwall of Good Deeds; Mrs. Loss Kuykendall, Mrs. John French and Mrs. Earl Deal of Reid Hill; Mrs. Frank Little, the Constituency convener of Little Bow Constituency and Mrs. Abe Lawson of Champion WI. Thigh Hill and Barons Institute were not represented.

District Director, Mrs. Gerald Newman of Blackie welcomed delegates, noting this was the first District No. 4 conference to be held in Medicine Hat since 1928. Mrs. Newman expressed her regret that Mrs. Bellesh of Warspite, the Provincial president was unable to attend, having received an invitation to attend the opening of the Provincial Legislature of Alberta.

Mrs. Carl Alexander of Cayley, Provincial vice-president brought greetings from the Alberta Women's Institute and gave highlights of council meetings during the past year.

Alderman Helen Gibson extended a civic welcome and complimented the Women's Institute on their achievements. Mrs. Gibson

presented everyone with a souvenir vase from the Medicine Hat Pottery, a gift of the city.

The area of District 4, extends from Calgary south to all borders. The motto for the Women's Institute is "For Home and Country" and the theme of the Conference was "Look Ahead." Mrs. Newman told delegates to "Look backward and give thanks," "Look forward and take courage."

The seven constituency convener of District 4 gave reports on the activities of their Institute branches, showing the excellent work being done by the members and the Standing Committees. The purpose of these committees is to help the branches promote year-round activities and programs of study on selective subjects. These are: Agriculture and Canadian Industries, Citizenship, Education, Handicraft, Health, Home Economics, Social Services, United Nations and Exchange programs.

Guest speaker at the banquet was Miss Phyllis Lapworth, chief librarian of Medicine Hat, using as her topic, "Books for All." The speaker explained that a regional library is a public library providing books to rural and urban people through a shared-tax plan. She stated that books are your right, not a privilege. Medicine Hat has a modern and beautiful library. Miss Nettie Ware, Mrs. Earl Galloway and Mrs. Bert Maisey had the privilege of touring the library while in the city.

Miss Chrissie Shunter, district Home Economist spoke on drugs, saying that "Never before in history" (Continued On Page 7)

More Graduates For Radio Club

Eleven members were present as the Vulcan County Amateur Radio Club held its business meeting on Feb. 28.

Two newly licensed "Hams" were welcomed in the persons of Dr. John Lakins, whose call is VE6AVD, and Don Jantzie, whose call is VE6AGZ. Gordon Clayton should have his license shortly and Dave Schierman (VE6ARU) and Svan Adams (VE6AQQ) have both received their Advanced Amateur certificates which enable them to use voice while transmitting. These are Department of Transport exams and the two members were congratulated in this successful step in radio work.

Plans for the annual club social were discussed but nothing definite was decided.

OFFICE TOUR. Curious minds of a group of Champion Brownies were whetted recently when they took a short tour of the Advocate. They saw some of the

presses and equipment in action and were given a general outline of the weekly newspaper schedule. Accompanying the youngsters were leaders Mrs. Ruth Pasoli,

Mrs. Marlene Smith and Mrs. Robert Fath and transportation to Vulcan was by the bus purchased for general use by the Champion Lions Club.

4-H Club Notes

Lomond 4-H Clothing Club—

On March 3rd the 4-H Public Speaking was held at the Lomond Community Centre.

The winners for the Clothing Club were Miss Linda Maier 1st, with a speech on "Nuclear War." Second Miss Michelle Lindsay with a speech about an experience in Mountain Climbing and 3rd, Miss Trudie Hendrickson speaking on her experience in winning an Alberta Safety Council Essay Award.

On March 10th the two top winners competed in the County Competition at Vulcan where Miss Linda Maier came third.

The last club meeting was held at the home of Miss Doreen Root. Miss Mary Hildebrand chaired the meeting. Swatches of material were exchanged in answering the roll call. Mrs. Lindsay gave a demonstration on how to make a flat felled seam and the continuing jacket. After this a lovely lunch was served by the hostess.

The next meeting will be held March 20 at the home of Miss Linda Maier.

Lomond 4-H Beef Club—

The monthly meeting of the Lomond 4-H Beef Club was held on March 9 at 8 p.m. The pledge was read by Linda Maier. The roll call was "Why I joined the 4-H Club." The business was planning the club tour. For recreation we sang and watched TV. A lovely lunch followed served by Glenda, Marie, Linda and Dorothy.

On March 3, Lomond held their public speaking. The winners for the speaking were Esther Craine, first, Mary Hildebrand, second, and Richard Stanko, third. The winners for the clothing club were Linda Maier, first, Mickey Lindsay, second, and Trudy Hendrickson, third. The two clubs combined and held their speaking night the same time, with Miss Brandt, Mr. Clark and Mrs. Oldland as judges. Linda Maier came in third in Vulcan, and Esther Craine, fourth.

Vulcan West-Ensign 4-H Beef Club—

The Vulcan West-Ensign 4-H Beef Club held their regular monthly meeting at 7:30 p.m., in the Ensign hall on March 4. We discussed the rally and district judging competition to be held in April. Wayne Lucas provided us with slides and an interesting talk on his trip to Ottawa and Toronto.

Our public speaking competition was also held with all the members taking part. Marlene Lucas won first followed by Raymond Shaw, a close second. The alternate winner was Donna Green. The two winners will go on to speak in Vulcan on March 10. We wish them both success.

During the afternoon the club attended a beef judging at Eric Thorp's. Our judges were George Hayes and Jim Williams. After a chilly afternoon Mr. Thorp provided us with a nice lunch. Our club would like to take this opportunity to thank the Thorps for letting us hold our beef judging on their farm.

Arrowwood 4-H Beef Club—

The regular meeting of the Arrowwood 4-H Beef Club was held March 6th at the Arrowwood School.

The public speaking competition was held. All of the 4-H members took part in the public speaking as well as the impromptu speech. Meryle Wyatt placed first, Cheryl Williams alternate. There was a good support from the community for this worthwhile project.

Plans were made for the trip to Edmonton to the 4-H Jamboree. It was decided to make a banner for the Jamboree.

The 4-H calf tour will be March 31 ending at Jim Browns for the regular meeting. The 4-H judging will be held this year at the Jack Ward farm on April 1.

The meeting came to a close with lunch served by the 4-H members to everyone present.

FROM OUR CORRESPONDENTS

ENSIGN

Mrs. Molly Fisher underwent surgery Wednesday at the Rockyview hospital, Calgary. A speedy recovery is wished her.

Congratulations to David and Bill Paton who curled in Edmonton with Danny Watson and Gale Atkinson in the FUA bonspiel, winning the Alberta Championship and winning all their games.

Mr. and Mrs. Clarence Mote and Mr. and Mrs. Elbert Brooks from Fort Macleod were last weekend visitors in Calgary and Red Deer. The occasion was Mr. and Mrs. Mote's wedding anniversary and Mrs. Brooks's birthday.

Mr. and Mrs. Harry Brown from Okotoks were visitors at the B. Brown home the first part of the week.

Deepest sympathy is extended to the Bride family on the death of Mrs. Clara Bride's father, Albert Thompson.

Congratulations to Donald Hansen on winning two awards at the Junior seed fair in Calgary, a gold watch for his two-row sample of barley and first in flax.

Mr. and Mrs. Bobby Kruger from Calgary were Sunday visitors at the home of Mr. and Mrs. Victor Kruger in Ensign and also visited Mrs. Bobby Kruger's parents Mr. and Mrs. McKeage from Blackie.

Mr. and Mrs. Bill Shields and the girls from Weyburn were visitors

in the district. They spent the weekend at the Harold Hansen home. The girls stayed with friends in Vulcan. Donald will be attending school in Red Deer. Max Morrison from the Blunt Nursing home was a dinner guest at the Hansen home on Friday, March 17.

A FAST BUCK

We are living in an age of materialism. Most everyone around us is interested "in making a fast buck."

There is nothing wrong with working. The fact of the matter is God doesn't limit a work week to forty hours or less. In the law given to Moses God said, "Six days shalt thou labour and do all thy work." The seventh day was to be a day of rest.

There's nothing wrong with earning money. The worker is worthy of his hire. The ox that reaps out the corn should not be muzzled. Why? So that he can get a nibble now and then.

There is nothing wrong with money. It is society's medium of exchange.

It isn't work that is wrong but

undue emphasis on work, also the too much energy and time spent on earning money and the emphasis getting and having MONEY.

Thank God for work. It is good to get up in the morning with the anticipation of having school work to do, or employment to attend to. To have a mind to work and the energy to work is a blessing. And to have enough money to buy the necessities of life and some of its luxuries is something to thank God for too. But to let money be the goal of your existence is wrong.

The aim of making money any way you can and as quickly as possible is dangerous. King Solomon after his own life's experiences said, "A faithful man shall abound with blessings; but he that maketh haste to be rich shall not be innocent." Proverbs 28:20. By all means, earn a living, but be sure it is an honest living.

KIRKCALDY

Mr. and Mrs. Blain Middleton visited recently with friends at Edmonton, and enroute home visited Mr. and Mrs. Jack Leslie at Leslieville.

Mr. and Mrs. Don Mallory left on Monday for the west coast where they will visit relatives for ten days.

Mr. and Mrs. Jack Leslie and boys of Leslieville are visiting at the home of the latter's parents Mr. and Mrs. Ivan Haga. Mrs. Leslie and the boys will remain for the week while the former returned home on Monday.

A card party sponsored by Kirkcaldy Community Club was held in Kirkcaldy hall on March 8 with 11 tables in play. Bridge winners, ladies high: Mrs. Bert Maisey, men's high: Dr. Schneider. Ladies low, Mrs. Orlo Doane, men's low, C. H. Hamma. Whist winners: Ladies high, Mrs. Loss Kuykendall, men's high, Ray Beckner. Ladies low, Mrs. Ray Beckner, men's low, Alf Heather. Lunch was served by hostesses to combine the evening.

Miss Linda Bateman, who is attending secretarial school in Red Deer, spent the weekend with her parents Mr. and Mrs. Glen Bateman.

On Sunday Mr. and Mrs. Ivan Haga celebrated their 25th wedding anniversary with a family dinner, and with many friends, relatives calling in the afternoon and evening. Mr. and Mrs. Jack Leslie and family of Leslieville, Mr. and Mrs. Edwin Hilz and son of Champion were present to help celebrate their parents' anniversary.

Buster Carnegie of Edmonton returned home on Friday from a holiday in Las Vegas and San Francisco, and will remain to visit at his home for a week before returning to his work with the Alberta Government Telephones.

ASSETS FROZEN?

Don't let your finances — personal or corporate — get into this kind of a fix. When you invest your capital in Treasury Branch Term Saving Certificates, you enjoy the warm glow of financial security, because you know you can get your money whenever you need it, plus earned interest. You can cash a Treasury Branch Term Saving Certificate any time after ninety days, or you can use it as collateral for a Treasury Branch loan, on which you pay only 6% simple interest on your diminishing balance. This makes a Treasury Branch loan just about the cheapest money you can buy.

There are sixty-five Treasury Branches in Alberta. Visit your nearest one soon and find out how the Treasury Branch can help keep your assets fluid — yet solid as Alberta's own Rockies. Complete Treasury Branch financial services include:

— SALE STARTS SHARP AT 10:30 A.M. —

Lunch Served By

Local Westco WI Ladies Organization At Nominal Fee.

86 — HEAD OF COMMERCIAL HEREFORDS — 86

Consisting of: 48 Head of Commercial Hereford Cows; 12 Head of Yearling Steers; 24 Head of Yearling Heifers; Milk Cows—2 Purebred Holstein Cows and 2 Crossbred Cows.
(NOTE: The above commercial Herefords originate from this great herd of registered cattle. There was a question in their pedigrees of one descendant that could be a dwarf carrier so Mr. Dench without any hesitation, rather than sell them to purebred breeders, cut them into the Commercial Herd. This is a very rare opportunity for commercial men to purchase cattle of this breeding and quality, especially when a dwarf is something entirely unknown in the history of the Merry Acres Hereford herd.)

MOSSLEIGH

Joe Sherslabetoff recently spent a few days in hospital due to leg injury caused by his dog, which had been previously injured by his master's car. Fortunately Joe wasn't injured too badly.

Farewell Social Evening in honor of Mr. and Mrs. Howard Row and children was well attended. A variety of card games were played while others visited. The evening concluded with lunch when several gifts were presented to Howard and Carol. The Row's took a very active part in this community in every way and will be missed as they will be moving to Champion in the near future.

A wedding dance in honor of Shirley Willoughby and Vic Gateman at Mossleigh on March 17 was very well attended. A good time was had by all. We are happy to welcome Shirley to the community. The U.C.W. ladies are accepting old greeting card (just as they are) and used clothing. Anyone wishing to dispose of same please leave at the Mossleigh Church before March 30th.

Mr. and Mrs. Howard Row and children accompanied by Carol's mother, Mrs. Tom McKay spent the weekend with relatives at Consort.

Mr. and Mrs. Bill McMullen of Vulcan were Sunday guests of Mr. and Mrs. Lloyd Brown.

MARLENE BERTSCHY SHOWER
On Sunday afternoon, March 19, a large number of ladies gathered in the Mossleigh hall for a shower in honor of Marlene Bertschy, whose marriage to Bob Seney takes place March 25th.

To open the program the girls of the Mossleigh 4-H Clothing Club presented a skit "Oh Promise Me Willie." Following this Mrs. Bill Campbell read some interesting recipes "How to Cook a Husband," "How to Preserve Children" and "A Recipe for Happiness." The Randle sisters Janice, Suzanne, Frances and Joan presented two vocal numbers which were much enjoyed.

On behalf of the 4-H girls Charlotte Koole presented Marlene

with a silver 4-H spoon. Mrs. Lana Malmberg on behalf of those present made the presentation of gifts which were carried in a "Hog Barn" pulled by Tonilyn Hay dressed as a school teacher and Lynda Koole as a farmer.

The bride was assisted in opening her gifts by her mother, Mrs. Bob Bertschy, Mrs. Ted Seney, Miss Audrey Ann Groeneveld and Miss Selma Hammer.

After the gifts had been opened and passed around the bride thanked all those present and invited them to visit her in her new home.

A dainty lunch was served by the ladies of the community club, to bring a pleasant afternoon to a close.

LOMOND

A hockey tournament was held at the Lomond arena on Saturday, March 18, with Tilley, Bassano and Lomond taking part. Lethbridge was supposed to play but failed to appear. First game was at 1:30 p.m. between Tilley and Bassano, with Tilley being the winners. In place of the next game which would have been between Lomond and Lethbridge had they been here, an exhibition game was played between two local teams, the Bantams and Pee Wees. At 7:00 p.m. Lomond played Tilley and defeated them, thus winning the tournament.

Mr. and Mrs. Ralph Richardson and family of Vulcan were Sunday visitors at the L. Chase and Pete Ruppert homes in Lomond.

Mr. and Mrs. Donnie Humphreys of Lethbridge were visitors in Lomond last weekend.

Terry Chase was a weekend visitor at the Ralph Richardson home in Vulcan.

Kenny West of Edmonton was a weekend visitor at the home of his parents, Mr. and Mrs. Al West and family.

Mr. and Mrs. Pete Ruppert and family and Mrs. Velma Porter were visitors at the Ralph Richardson home on Friday last week.

A number of Lomond residents have motored to Lethbridge to visit the Centennial train.

Mrs. Velma Porter is spending a week at Blackfalds visiting at the home of her niece, Mr. and Mrs. Bobbie Nimz and family.

Mr. and Mrs. L. Chase were Saturday afternoon visitors at the Ralph Richardson home in Vulcan.

Mr. and Mrs. Art Reed of Shouldice are the proud parents of a 9 lb., 1/4 oz. son, born March 11. Name: Frederick Allen. Mrs. Reed before her marriage was the former Miss Bonnie Boyd of Lomond, youngest daughter of Mr. and Mrs. Frank Boyd.

Guests on Sunday at the Frank Boyd home were Mr. and Mrs. Albert Johnson and Mr. and Mrs. Norman Kunkel.

Mr. and Mrs. Frank Boyd were recent Brooks business visitors.

Mr. and Mrs. Harvey Boyd and son were Sunday visitors at the latter's parents, Mr. and Mrs. C. J. Reed at Shouldice.

Deepest sympathy of friends in Lomond and district is extended to all members of the Thompson family following the passing of Albert Thompson on Saturday, March 18. The deceased was a pioneer of the Lomond district, having farmed here from 1909 until his retirement to Vulcan in 1951.

Friends will be pleased to learn that Vern Williams returned home from the Vulcan Hospital on Monday.

Best wishes for a speedy recovery are extended to Mrs. E. Emelson who is a patient in the Vulcan Hospital.

Many old friends send best wishes for a speedy recovery to Mrs. P. J. Degenstein of Brooks who is a patient in the Brooks Hospital.

Mr. and Mrs. Floyd Sande and the former's mother, Mrs. Lulu Sande, motored to Lethbridge last Thursday. The latter remained to visit a sister who is ill in hospital.

WE THANK THEE

For flowers that bloom about our feet,
Father, we thank Thee,
For tender grass so fresh, so sweet,
Father, we thank Thee,
For the song of bird and hum of bee,
For all things fair we hear or see,
Father in heaven, we thank Thee.

As the Earth awakes at Easter,
As new life and hope are born,
May you know all the peace and joy
Of that first Easter morn.

February County Minutes District Delegates

(Continued From Last Week)

MUNICIPAL COMMITTEE MEETING

Emil Fritzler had requested that the road on the South side of Section 17-16-22-4 and between 11 and 12-16-22-4 be improved. This matter was left to Mr. Ulrich for his attention.

The Committee decided to ask for tenders for a supply of asphalt for the paving for this year, tenders to be in at the next meeting.

It was moved and carried that the Committee recommend to the County Council that the County purchase one Kohler light plant for the sum of \$1,474.

It was moved and carried that the Committee recommend to the County Council the purchase of one 12,000 gallon tank from the CPR for the sum of \$275 and one trailer from Fruehauf Trailer Co. of Canada Ltd., for the sum of \$1,700.

The Committee interviewed representatives from Underwood McLellan and Associates in respect to the study of secondary highways which would be submitted to the provincial government within the next few weeks, and also to discuss the matter of engineering on the 1967 projects. The engineering work for paving would be discussed at a following meeting, and it was noted that the report for the provincial government in respect to the secondary highways was ready and would be forwarded within the next month.

It was moved and carried that authorization be given to purchase one air wrench.

A letter from Tollestrup Construction Ltd., in respect to the overburden on the gravel pit was read. The letter stated that the overburden was bid at approximately four feet and it was found that it was eleven and twelve feet. The company submitted a bill for \$1,850.00 being two-thirds of the cost of the extra work in preparing the gravel pit. It was moved and carried that the County pay 50% of two-thirds of the cost, which would amount to \$925.00.

The members of the Committee studied in detail the various bids on the trucks, and it was decided that the Committee would recommend to the County Council that the bid of Wheat Centre Motors, Vulcan, for the six tandem trucks, one half-ton and one one-ton be accepted for the total price of \$58,110.70.

AGRICULTURAL COMMITTEE MEETING

A meeting of the Agricultural Committee of the County of Vulcan was held in the Council Room, County Building, Vulcan, Alberta, on Tuesday, Jan. 24, 1967.

Those present were: Robert S. Irwin, Chairman, F. E. Hubka, A. McAllister, Earl Erickson, Committee Members; Vernon Jordan, Agricultural Fieldman, and D. D. McQueen, Secretary-Treasurer. Also present at the meeting was Blair Shaw, District Agriculturist.

The Committee considered a recommendation from the Agricultural Advisory Committee in respect to Preventive Welfare. This matter was referred to the County Council.

Dr. Brisbane, Director of Veterinary Services of the Department of Agriculture, was present at the meeting and discussed with the Committee the policy revaccination of calves on a voluntary basis. The grant under the voluntary program is 50c per head, 40c to be paid to the veterinarian and 10c to the organizer. It was the opinion of both Dr. Brisbane and the Committee that the majority of stockmen should continue to vaccinate, especially replacement stock. It was decided that the County should advertise in respect to the voluntary vaccination program, the ad to have a coupon to facilitate the farmers in advising how many calves they have to vaccinate.

It was moved and carried that Earl Galloway, Vulcan, be engaged to haul trees to Vulcan.

Mr. Jordan, Agricultural Fieldman, gave a report of his activities for the year 1966. This report is to be published in the Financial Statement of the County.

An application for the position of Assistant Fieldman from K. A. Pedersen, Lomond, was read.

It was moved and carried that K. A. Pedersen be engaged as Assistant Fieldman effective April 1, 1967.

Mr. Jordan was instructed to check into the matter of insurance coverage of Major Irrigation Co., Lethbridge, for the damages to the sprayer which was rented by the County.

It was moved and carried that the Committee recommend to the County Council that a weed sprayer and tank be purchased.

(Continued From Front Page)

tory have there been so many drugs on the market, but so little information regarding their use."

Miss Ware was appointed on the resolutions committee and Mrs. Bert Maisey on the nominating committee—the purpose of the latter committee to get nominations for a new District Director of No. 4, as Mrs. Newman's term of office expires in June. A new director will be appointed in Edmonton at the Provincial Convention, June 1, 1967, held at Lister Hall, at the University of Alberta.

It was agreed that the District 4 director would be a voting delegate at the forthcoming conference of the Federated Women's Institutes at Guelph, Ont., this summer.

The delegates voted that the District 4 conference would be held in Lethbridge next year, then Calgary and Medicine Hat, in that order in the future.

Highlights of the conference were bus tours to the Medicine Hat greenhouse and the Altglass factory.

Many merchants of the city donated beautiful gifts to be given away during the two-day conference, while the city "Fathers" saw that the meters were plugged for all delegates cars. Brochures were handed out to all from both the city and Chamber of Commerce. Never have Women's Institute members been so royally treated.

Talks On Future

(Continued From Front Page)

expressing thanks for the cards, old stamps and Nabob coupons received from the Good Deeds recently.

No committee reports were available. Mrs. Clarence Brown gave the treasurer's report. More quilt blocks will be needed to complete a large quilt, therefore each member will make more and those who are able will gather at the home of Mrs. Bob Hutton some afternoon when the weather is warmer. A smaller quilt, done completely by machine was donated by Mrs. Ethel McMaisters, a Nanton member.

Mrs. Bob Hutton read a more detailed list of suggested items

which could be collected for use by the Vulcan opportunity class.

Following adjournment of the business meeting, Mrs. Little, district convener was welcomed by the president, Mrs. Little delivered a most thought provoking talk on Institute's future, and then touched on other subjects of interest to members.

Mrs. Harry Smith assisted by Mrs. Ernie Nobert and Mrs. Clarence Brown served a most tasty selection of sandwiches and all the trimmings followed by rich and delicious squares.

YOUTH SPEAKS OUT

(In conjunction with Education Week, recently passed, students at Hazel Cameron Elementary School wrote essays expressing their views on education, past, present and future. A representative group will be published in The Advocate with the one which follows.)

Education in the Past

(By Marilyn Ness)

The children attending schools today have many advantages the children of many years ago did not have.

Since the times when our parents attended school, conditions have changed tremendously.

In those days the schools were one-roomed buildings including grades one to eight, and sometimes nine.

It was necessary for a child to go to school until he reached the age of fifteen. When it was cold

the school room was heated by a coal or wood stove placed in the centre of the room. Because there was only one teacher for eight grades, the children often had to work alone without assistance.

For transportation, a few children were lucky enough to ride horseback but others had to walk many miles even in the coldest weather.

Thinking of the conditions in those days, each of us should appreciate more the advantages we have in our schools today.

MISSED

In the review of the CCHS Variety Night carried in last week's issue Donald Hansen's name was omitted from the program list. Between seed fairs and singing Donald has become well known and his two vocal selections at the Variety Night were much enjoyed.

'THE TWO BEST BEERS IN THE HOUSE!'

Lethbridge Pilsner

Many people like the happy taste of our own home-grown hops in Lethbridge Pilsner — a blend of several fine brews in the best Bavarian tradition. The brewmaster adds just the right amount of whole grain pearl rice to give a subtle "extra" to the choice barley. Lively-tasting Lethbridge Pilsner, truly satisfying beer!

Two great brews from
SICKS' LETHBRIDGE BREWERY LTD.

Lethbridge Lager

Many prefer the mellow taste of the malt in bright and bracing Lethbridge lager beer — often called "bridge." Here's a naturally-aged, smooth lager brewed with a special yeast culture, then micro-filtered for extra-refreshing clarity and flavor. Bright, thirst-quenching lager beer at its best... that's "bridge!"

CARMANGAY

The Carmangay girls basketball team won the right to represent the County on March 4th when they defeated all opposition at Vulcan.

Then on March 11 they entered in the South Central zone playoffs in Banff. After winning their first two games they then lost out to High River by a single basket.

Mr. and Mrs. L. Bodice, Mr. and Mrs. Kananen, Mr. and Mrs. Bob Hubka, Mr. and Mrs. G. McFarland and Mrs. R. McLeod went along to cheer the girls on their way.

Get well wishes are extended to Mrs. Lawrence Blue who is hospitalized after a fall on the curling ice.

Mr. and Mrs. Dennis Leswick and daughter Denise of Calgary were weekend visitors at the McGinnis home and also visited their grandmother Mrs. Gower who is a hospital patient.

The young people of the Carmangay district, between the ages of fifteen and eighteen, who are interested in the Prince and Princess contest are urged to get their applications in to the Carmangay Lions Secretary, Ken Nelson before March 31.

SMITH VACATION TRIP

Mr. and Mrs. Fay Smith have returned to their home in Carmangay after vacationing 14 weeks in Central America and the U.S.A.

Their travels took them through parts of Mexico a few days in Acapulco, Guadalupe, Antigua, Atitlan and the Indian markets at Checheecastanango high in the mountains in Guatemala and El Salvador. They spent six weeks with their son Sloan, his wife Linda and three children in San Jose, Costa Rica. Leaving Costa Rica they spent four days in Panama City, touring other points from there. While in Panama they visited the San Blas Islands on the Caribbean.

On returning to California by jet they visited relatives in California and Utah. On their arrival home they continued their vacation visiting their daughters and families in Calgary and Edmonton.

They had a wonderful time, Central America is warm and beautiful but there is still no place to equal Southern Alberta.

NEW GRANULAR 45-0-0 (Urea)

Elephant Brand Granular Urea—45% N, is the modern fertilizer for profit-conscious farmers. Dense, firm granules make this Elephant Brand high-nitrogen fertilizer better than any other on the market. Elephant Brand granules are harder—they don't cake or break-up to dust—but they do dissolve readily in your soil. Elephant Brand granules are denser so you get more plant food in every applicator load—make fewer applicator refills. You save time and labour—and that means money. Cominco Ltd./Calgary, Alberta

District News

DINTON

Congratulations and best wishes to Mr. and Mrs. Brian Willocks on their marriage in High River on March 10. A large crowd attended their wedding dance in the Blackie Hall that evening.

Mrs. Rodney Johnston has been staying at the home of her daughter (Joyce), Mrs. Victor Willoughby, in Calgary caring for the children while she is in hospital. Best wishes are extended here for a speedy recovery.

Mrs. Ronnie McKeage, Mrs. Stan Gillanders, and Mrs. Clayton Thurber were delegates from Dinton WA to the Annual Anglican Diocesan WA meeting in Calgary.

Stan Gillanders and Clayton Thurber were lay delegates from St. Thomas Church to the meeting of the Anglican Diocesan Synod in Calgary.

Mrs. J. Davison and Carl Litchfield visited with Mrs. Alice Kennedy of Innisfail the past week.

Lane Litchfield was home for a few days between semesters at Red Deer.

Band members played at Red Deer Lake recently.

Jack Thurber and (Slim) Laycraft are home from hospital.

W.I. MEETING

Ten members and two visitors met at the home of Mrs. H. Willoughby on March 15. President Mrs. R. T. Johnston being away, vice-president Mrs. S. N. Gillanders was in the chair. Mrs. Gillanders welcomed Mrs. L. Whitney Constituency Convener and visitors.

Meeting opened with the creed. One minute silence and memorial for Mrs. J. E. McKage. Mrs. McKage was a charter member. The two remaining charter members are Mrs. Isaac Laycraft of High River and Mrs. J. P. Kennedy of Innisfail. Roll call was "One of Grandmothers remedies for good health."

Material for back of the Unitarian quilt had been bought. Members will meet at Mrs. Keith McKages to put strips of blocks together; as this will take most of the day members will take a pot-luck dish for dinner. A metal cupboard has been ordered for dishes at hall; also a new binder purchased for Branch history book. This will be on display at the conference in May at Blackie Hall. There will be a table of keepsakes and anyone wishing to bring them is asked to please write name and anything of interest on it. There will be two WI members in charge.

April 15 the members and husbands will be entertained at Dinton hall, with a program and supper to follow. The same members will canvass for Cancer as last year.

Mrs. Whitney spoke on district 4 conference at Medicine Hat. Also Constituency conference will be

May 2, at Blackie. The theme will be "Getting to know you." Everyone is to come in old fashion dress. Convenors will bring reports to the April meeting. A shower at Dinton hall for Leona Meadows will be held April 1.

Mrs. L. Whitney won the social service draw. Next meeting will be with Mrs. R. W. Lowrey. A lovely plate lunch was served by the hostess assisted by Mrs. David Gillanders. Mrs. Carl Litchfield was welcomed as a new member.

MILO

Friends of Roy Page will be interested to know he has returned home from the Vulcan hospital.

THE HOMEMAKER

MISS FRANCES ANN CULLEN
District Home Economist
Box 480, Vulcan — Phone 485-2117

Dear Homemakers:

BE CAUTIOUS IN THE SPRING

I suppose because a person's blood is "thinner" at this time of year, our resistance to fast talking 'fly-by-night' salesmen is low.

However when one appears, don't expect something for nothing. According to Dianne Hammer, Home Design Specialist with the Alberta Extension Service, this type of salesman often explains that he needs a "show home" to demonstrate his product because his firm is new. He says he will pay for each new contract obtained in the area as a result of the advertising he gets by using your home to demonstrate his product. To get such plans underway, however, he needs a deposit which will be paid in the form of bonuses or other contracts. He neglects to say that he is calling on all the houses in the area and making the same arrangements he is making with you.

Every direct salesman in Alberta is required to carry and to produce, upon request, a direct sales license which identifies himself and the company he represents. If he cannot produce a license, tell him you

are not interested. Even if he has one, it is a good idea to phone your Better Business Bureau in Edmonton or Calgary before committing yourself. As the Better Bureau says, "investigate before you invest."

4-H NEWS

To avoid any misunderstanding concerning a statement in my last weeks column, the Lomond 4-H Rally will be open to 4-H families only. This Rally is primarily a get together for all the 4-H members and their families in the County of Vulcan.

The members would certainly like to have everyone come, but to the limited facilities, they will be able to extend the invitation to their parents only.

The three 4-H members who represented the 4-H Clubs of the County in the Lethbridge Public Speaking Competition were, Linda Maier, Lomond 4-H Clothing Club; Merle Wyatt, Arrowwood 4-H Beef Club and Kay Giles, Berrywater 4-H Beef Club. Linda Maier got an Honorable mention for her fine speech and our congratulations to all three of these 4-H members for their fine showing.

Miss Cheryl Williams acted as Chairlady for the evening, and also did a fine job. Congratulations to these young people.

Every year an estimated 500 million people suffer from disabling diseases associated with unsafe supplies, according to the World Health Organization.

SOIL EROSION BY WIND

Every spring a certain amount of soil drifting occurs, the summer fallow "dusts" for a day or two and we feel we've gotten off lucky. But did you know that the fine dust particles that are removed from a field by erosion contain up to twice as much nitrogen, organic matter, and phosphorus as the material that is left behind?

One field study, conducted over a 7-year period, showed that barley averaged 28 bushels to the acre where the topsoil had been left intact but only 10 bushels to the acre where it had been completely removed. The greatest difference in yield occurred during the years when moisture was in good supply.

Drifting also causes a gradual change in the texture of the cultivated soil layer. Studies conducted in Western Canada showed that up to one-half of the silt and one-third of the clay were removed from some sandy soils by the sorting action of the drifting process. Losses of about one-fifth of the silt and smaller quantities of clay particles were recorded on severely eroded medium-textured soils. Heavy clay soils were least affected by the sorting action.

Silt and clay particle losses resulted in a decrease in the moisture-holding capacity of the cultivated soil layer, and the soil was more susceptible to erosion.

A bulletin entitled "Soil Erosion by Wind," published by the Canada Department of Agriculture, outlines the causes of soil drifting, the damage that can result, and control measures that should be adopted. "Soil Erosion by Wind" can be obtained from this office.

HOME GERMINATION TESTS

Testing seed for germination in the home can be very misleading. This is particularly true where frost damage is a factor. As it is this season, frost damage should be no problem.

Many frosted kernels will produce a green shoot two or three inches long under ideal conditions in the home. Many of these shoots, however, will be badly twisted.

Many twisted shoots, while they look quite strong and healthy would not produce a plant in the field or would produce only a weak plant. To make it more confusing not all twisted seedlings are seriously damaged. In other words, only a trained technician such as those in seed testing laboratories can properly assess the value of a sample for seed purposes.

Seed samples for germination tests should be forwarded to the Line Elevators Farm Service, Seed Testing Lab, or to the Plants Products Division, Canada Department of Agriculture, Room 483, Federal Building, Edmonton, Alberta. The seed samples can be submitted through your local Line Elevators Agent or through your local Seed Cleaning Plant Manager.

Seed samples sent to the Plants Products Division should be 4 ounces in size for germination, or 24 ounces for seed grade and germination test. The cost of a germination test is \$1.50 per sample.

The cost for a Purity and Germination test is \$3.00. The cost for a Smut Test for Barley is \$2.00 for a 4-ounce sample.

Good Seed Is Important.

When it comes to shipping your goods—

G

we've got it taped!

At Canadian Pacific, we keep track of things. That can mean watching 80,000 freight cars over 17,000 miles of system.

We do this with computers. Our computer's memory tells us exactly where your shipment is, and it supplies vital data on what freight equipment is available to give you better service. We pioneered this integrated data processing system in Canada, and it is now the largest transportation complex of its kind in the world.

Our people keep our computers running day and night—and for a good reason. We want to serve you better. After all, that's what we're in business for. We don't need a computer to tell us that.
